Matthew Wayne Teinert

Dear Matthew,

Congratulations! You have achieved University Honors for your outstanding scholastic performance for the Spring 2024 semester. You should be very proud of this distinction, and it will be officially recorded on your University of Texas at Austin transcript.

You have received this honor because of your strong academic achievement this semester earning a 4.0 grade point average while taking a full course load. What is even more outstanding is that you have accomplished this while attending one of the top 10 business schools in the country.

We encourage you to share this great news with your friends and family and we look forward to seeing your continued success here at McCombs!

Sincerely,
